“Star Warz” taken from a game that Mr Joe used to play at a very tender age intrigued the alien sound concept. “I love space I have always been fascinated about other planets and felt like the track was tapping into those dimensions when I made it” said Mr Joe. Star Warz is the first single in 2019, this new Electronic dance single has been featured on various podcasts by Mr Joe and the likes of Thibo Tazz a producer and DJ from Cape Town.

This song has also received great social media response from his fans and fellow musicians who have solely expressed how they love the song, and has everyone talking about Mr Joe’s Electronic dance sound and elevation in the music industry.

Mr Joe born Mbheki Ndlovu is a South African Electronic based producer, DJ and entrepreneur. He is on the 9th year in the music industry and started releasing music in 2010. His fans have shown so much love and support for his sound. Mr Joe has also been part of the “Urban Beat” show on Metro FM in the years 2013, 2014 and 2015 in these years he played much of his music and got South Africans dancing be it home or in the car through radio.

Fast forward 3 years later Mr Joe released an EP entitled lost under “Culoe De Song’s” record label named “De Song music”. This electronic piece had the globe dancing and it was also played by the “Innervisions” boss Dixon from Berlin. Right after the lost EP Mr Joe released the Air Force EP under “Offering Records” which is based in Belgium and owned by the Afro House enthusiast “Boddhi Satva”. He has also been featured on the “Watergate 21 various artists Ep” compiled by “Culoe De Song”, songs such as “Dharma and Vector Groove” were featured on EP and so much love was received. Mr Joe has also been part of the Vuzu TV’s Hit Refresh and played a very vibrant set on the platform.

It is with great excitement that in 2019 Mr Joe will also release on the Berlin based record label “Get Physical” , he will be part of a very progressive compilation and Ep.
